

# 2017 PHABC 8th Summer School

**Public Health**  
Association of BC

Facing a Changing World: Transformative  
Leadership and Practice  
July 6-7, 2017

There are four topic areas being presented in the upcoming PHABC's Summer School 2017. Within these topics there will be examples of transformative leadership and practice, collaboration and community engagement, and impactful innovative solutions.

## Topics

- Child and Youth Development
- Immigrant Health
- Indigenous Health
- Planetary Health- Healthy Built Environment

## Objectives of PHABC's Summer School

By the end of the summer school attendees will be able to:

- Define transformational leadership and practice.
- Consider new opportunities to meet the changing public health needs within communities.
- Examine ways to achieve a shared goal of population health improvement.
- Examine innovative solutions.

**Main Sites:** [University of Victoria](#), [University of British Columbia](#), [University of British Columbia Okanagan](#), [University of Northern British Columbia](#)
