

Where ideas work

**Lead, Directory Services  
Burnaby BC  
Salary: \$54,414.97- \$62,042.70 annually**

HealthLink BC's (HLBC) telehealth platform delivers high quality telehealth services across the continuum of care to health care providers and the public that positively impact the health care experience, health outcomes and the availability and use of health human resources in a way that will improve the affordability and sustainability of health care in British Columbia. HLBC's comprehensive self-care and health system navigation services focus on quality client services to consumers and health care professionals. Core services include Navigation Services, Nursing Services, Dietitian Services, [www.HealthLinkBC.ca](http://www.HealthLinkBC.ca), HealthLinkBC Files, Directory Services, and the BC HealthGuide Handbook.

HealthLink BC is a transforming organization that will realize technological innovation and enhancement of current core services and an expansion and integration into other health-related initiatives that will promote improved wellness and health for the residents of British Columbia and other jurisdictions. HealthLink BC plays an integral role in health system redesign and Ministry of Health initiatives now and into the future.

The Lead, Directory Services is responsible for the accurate, comprehensive and up-to-date representation of local, regional and provincial health and health related programs and services in the provincial HealthLinkBC Directory.
