COMMUNITIES LEADING LOCAL ACTION ON OVERDOSE

JANUARY 29–30, 2018

Sheraton Vancouver Guildford Hotel
Surrey, BC

**LEARN

This two day knowledge exchange event will bring together diverse community activists and coalitions from across BC working on overdose response efforts as a part of the Community Action Initiative's Overdose Prevention and Education Network (OPEN) project.

This event will provide an open dialogue for community activists and coalitions from across BC to share and learn from locally developed solutions, challenges and promising initiatives to prevent and respond to opioid overdose. The details of the OPEN Local Action Grants program will also be shared.

To enquire, email info@communityactioninitiative.ca
