

# 2019

## PHABC Conference & AGM

Sutton Place Hotel

845 Burrard Street Vancouver, BC

November 14-15, 2019

**Public Health**  
Association of BC

### Simplifying Complexity:

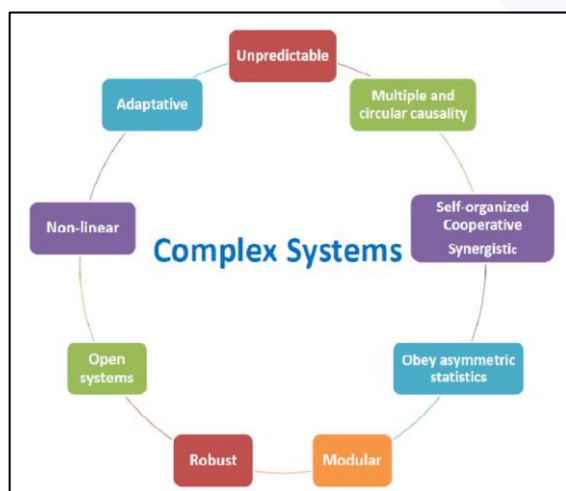

## Public Health Approaches and Practice in Complex Systems

Please join us this fall in Vancouver as we explore Complex Adaptive Systems and Complexity Science; what they are, why they matter in public health, and how to take concept to when creating effective population level interventions across a variety of issues. Main sub-topics that will be discussed through the two days include:

- Food Security & Food Systems
- Wicked Problems & Health Equity
- Infectious Disease Response & Immunization
- Overdose Response & Safe Supplies Initiatives

### Scientific Program Committee Chairs

- Dr. Marjorie MacDonald—University of Victoria
- Dr. Simon Carroll—University of Victoria

Martínez-García & Hernández-Lemus (2013).

### Featured Speakers

- The Honourable Minister Lana Popham—BC Ministry of Agriculture
- Dr. Perry Kendall—BC Centre on Substance Use
- Ian Roe—Kids Boost Immunity, I Boost Immunity
- Dr. Irv Rootman—University of Victoria
- Craig Thompson—BC Ministry of Health
- Val Morrison—National Collaborating Centre for Healthy Public Policy
- Richard Han—Farm to School BC
- Dr. John Millar—University of BC
