

Online this Year, Just as Engaging as Ever!

# Think Globally, Act Locally

## Public Health and the Anthropocene

*Public Health Summer Institute 2020*

*July 9th & 10th, 2020*

Join us anywhere you have internet as we explore what it means to be living in the Anthropocene era and how you can harness global initiatives to positively affect population and public health locally in the fight against climate change, pollution, and other major ecological & sociological concerns.
