Make a difference in this rewarding career opportunity!

The Maples Adolescent Treatment Centre is a program of Provincial Services Division of the Ministry of Children and Family Development. The Maples is a designated provincial mental health facility providing residential, non-residential, outreach and ancillary services to collaboratively support youth, families and communities. The Maples target population consists of troubled youth in British Columbia with significant psychiatric and/or behavioural and/or emotional difficulties, ages 12 to 17; as well as youth found Not Criminally Responsible by Reason of a Mental Disorder (NCRMD) or Unfit to Stand Trial under the Criminal Code of Canada & Youth Criminal Justice Act. Additional services include community consultation service, training/capacity building opportunities and ongoing sharing of current literature. Through a multi-disciplinary approach, our objective is to collaboratively enhance the capacity of communities to plan and care for challenging youth through a closer to home focus.

The BC Public Service is committed to creating a [diverse workplace](#) to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

Qualifications for this role include:

- Eligible to practice Nursing under the BC College of Nurses and Midwives (BCCNM).
- Current CPR-C level certification.
- Class 5 Drivers License.

Preference may be given to applicants with:

- Recognized courses in adolescent psychiatry, relevant to the position.
- Recent work experiences in the field of adolescent psychiatry.
- Preference may be given to applicants who self-identify as First Nations, Métis or Inuit with the required combination of education and experience.
