Be a part of a dedicated team who is passionate about achieving our vision of an inclusive and supportive community where children, youth and their families thrive

An integral member of a multi-disciplinary Community Mental Health Team and in coordination with other community agencies and professionals, you provide a range of mental health services to children, youth, and their families, when the child or youth is suffering from serious emotional, psychological, behavioral, or psychiatric illness.

As a Clinician, you provide direct clinical services such as intake, assessment, diagnosis, treatment, and crisis intervention for children, youth, and their families. Consulting with community agencies, schools, hospitals, and other ministry programs, you understand the importance of being involved in community education, development, coordination, and prevention/early intervention programs. You build and maintain relationships with a wide variety of stakeholders in the community to ensure that conflicts are resolved, and appropriate outcomes are achieved.
