

Vice President, Integrated Commercial Services and Chief Financial Officer

Fraser Health (FH) is responsible for the delivery of hospital and community-based health services to over 1.9 million people in 20 diverse communities from Burnaby to Fraser Canyon on the traditional territories of the Coast Salish and Nlaka'pamux Nations. The Fraser region is home to 32 First Nations communities and 6 Métis Chartered communities. Our team of nearly 45,000 staff, medical staff and volunteers is dedicated to serving our patients, families and communities to deliver on our vision: better health, best in health care.

Reporting to the President and Chief Executive Officer, Dr. Victoria Lee, the Vice President (VP) of Integrated Commercial Services and Chief Financial Officer (CFO) leads a portfolio that includes Contract Management, Internal Audits, Finance and Budgeting, Partnership Operations, Housekeeping, and Food and Dietician Services. At Fraser Health, CFO accountabilities are combined operationally within a portfolio that involves functions such as protection and parking services, project management, and commercial services.

This role is an exciting and vital opportunity to integrate commercial services in the region, while meeting and exceeding both financial and operational goals and objectives. The Vice President and CFO has an integral and important mission as an executive leader and is accountable to provide executive oversight of financial planning, monitoring and reporting of Fraser Health's finances. The VP and CFO oversees the development and approval of all operating budgets for the portfolio while allocating resources to meet strategic and operational requirements within the financial mandate of Fraser Health. The VP and CFO also oversees consultations and communications including partnerships for the effective planning and delivery of financial plans and programs.

Vice President, Integrated Commercial Services and Chief Financial Officer

As a clear, caring, and courageous leader in an organization that is evidence-based and results oriented, the Vice President, Integrated Commercial Services and CFO will demonstrate impact through key metrics for Fraser Health and the broader community, while effectively partnering and learning the system (both internally and externally) to assess where there are opportunities to move things forward with meaningful impact.
