Ministry of Children and Family Development
Burnaby

This position has full-time on-site requirements.

This is a shift work position, and the successful applicant will be required to work a combination of day shifts, evening shifts, and/or night shifts. You will also be expected to work a rotating schedule based on operational requirements.

Psychiatric Nurse
$75,296.07 - $103,661.66 annually

The Youth Forensic Psychiatric Services team is an established group committed to providing essential mental health services to young people involved in the justice system. This multi-disciplinary team works closely with probation services, community agencies and contracted service providers, as well as Youth Custody Services staff to deliver Court-ordered assessments. Join us in making a significant impact by supporting youth who are navigating complex legal and mental health challenges.

In this role, you will conduct nursing assessments, provide direct care, and supervise youth in a secure forensic psychiatric unit. You will support daily activities, nutrition, and hygiene while participating in psychiatric treatment and crisis intervention. By ensuring the safety of residents, staff, and visitors, you will significantly impact the well-being of detained youth needing specialized care. This position offers the chance to provide crucial mental health services to youth experiencing behavioral issues, addictions, and mental health challenges, making it an exciting and rewarding opportunity for candidates passionate about making a difference.

Qualifications for this role include:

- Registered or eligible for registration with the BC College of Nurses & Midwives (BCCNM).
- Current CPR (cardiopulmonary resuscitation) certification.

Preference may be given for:

- One (1) or more years of experience working in residential youth care, security, mental health or forensic psychiatric related work OR an equivalent combination of experience, education and/or training may be considered.
- Crisis Intervention and Physical Restraint (CIPR) training OR an equivalent combination of experience, education and/or training may be considered.
